Missionary Highlight

Sarah Speer

jscongolink@gmail.com

Sarah Speer's heart is knit to the people of Congo. She calls them her friends. On September 19, 2017, the Kimia Leprosy Center was dedicated to the Lord to bring healing (physically and spiritually) to people affected by leprosy. Many Aka Pygmies living in the tropical rain forest of the northern region of Congo are plagued by this ancient destructive disease and other neglected tropical diseases (NTDs). American Leprosy Missions is partnering with MissionGO to make a difference in these peoples' lives. It is an overwhelming task, but your prayers and gifts have a positive impact.
